

Impact Philanthropy Africa is a forum of self-funded corporate and private charitable foundations working across Africa to create social impact. Registered in Kenya, the aim of Impact Philanthropy Africa is to increase the societal impact of corporate and private giving in Africa, to transform lives by improving the social and economic status of communities in alignment with achieving the SDGs. Impact Philanthropy Africa members aim to build a culture of philanthropy in Africa and influence policy through advocacy and thought leadership.

### The Forum's Goals:

The Forum facilitates the above goals by:

Fostering a space for mutual learning and sharing of CSI/philanthropy innovations to catalyze impact and best practices.

Providing a platform for identifying and pursuing key advocacy issues to influence policy and practice impactful to the growth of African philanthropy.

Contributing to thought leadership to drive the growth of the CSI/philanthropic sector in Africa and optimize the conditions for creating social impact.

### The Forum's Strategic Pillars are:

#### 1. Building Appetite and Interest

Increase commitment to Corporate Social Investing (CSI) and scale the involvement of captains of industry and African philanthropists.

#### 2. Advocacy for Change

Engage Governments, Development Partners, the Private Sector and Civil Society/NGOs on concerns pivotal to local philanthropy.

#### 3. Advancing Thought Leadership

Harness the collective voice of corporate and private charitable foundations to engage the media and wider public policy sphere with an agenda for social change.

#### 4. Facilitating Learning and Knowledge sharing

Create a platform to exchange insights and best practices across relevant initiatives in philanthropy in Africa and beyond. Commissioning research to generate accurate and relevant data on the philanthropic sector in Africa to inform advocacy and thought leadership efforts.
